(2) When a new customer ticks DJ, DJK, DJA or DJFN, we contact them to define the most appropriate analysis.

(3) In case of AC and IP analysis for the same sample, check the AC * and IP * boxes. The invoice will be established on the price of a joint analysis AC * IP *

The analyzes indicated by the symbol * are usually carried out using COFRAC-accredited methods. For administrative reasons, they are temporarily NOT COFRAC accredited.

Customers are not allowed to use the accreditation mark (apart from the complete reproduction of the analysis report). Non-accredited scope analyzes are not covered by international recognition agreements.
